

Tennessee Agricultural Enhancement Program

A Cost Share Program for Tennessee Farmers

2013 PRODUCER APPLICATION • APPLICATION PERIOD JUNE 1 - JUNE 7, 2013

TAEP provides cost share assistance for long term investments in Tennessee's livestock and farming operations. TAEP is a direct result of Tennessee's commitment to supporting its agricultural industry and rural economies.

New in 2013!

TAEP Online

Apply Online

- Go to www.tn.gov/taep during application period
- Click on **TAEP Online**
- Click on **2013 TAEP Application A link**
Application B (Producer Diversification) cannot be submitted online
- **Participation in TAEP Online is not mandatory**

See page 2 to learn more about TAEP Online and how to apply

Livestock Equipment - see page 8

- Pasture sprayers
- Covered mineral feeders

Livestock Feed Storage - Dairy Only Items - see page 12

- Manure/lagoon pumps
- Manure/lagoon agitators
- Manure spreaders - liquid/dry

TAEP ONLINE

Applying Online

- Visit www.tn.gov/taep during the application period
- Click on the TAEP Online link
- Click on the 2013 TAEP Application A link
- **If you have a TAEP Online account**
 - Click “yes” and enter your premise account number and password
 - Review your information and make updates if needed
 - Select cost share programs and indicate priority level (1-3)
 - Follow submission instructions and print a copy of your application
- **If you do not have a TAEP Online account**
 - Click “no” and complete all sections of the application
 - Follow submission instructions and print a copy of your application
 - Please note that a current email address is required

More about TAEP Online

TAEP Online is an account management system that allows producers participating in TAEP to view information about their account. Participants can view their history, make contact updates, and see current status of application and reimbursements.

If you have not participated in TAEP previously, you will not have an online account but you will be able to apply online during the application period.

Accessing your TAEP Online Account

In order to access your TAEP Online account, you will need a current email address, your TAEP ID number, and your premises account number.

If you have not received your TAEP ID number, email taep.online@tn.gov to request a number. Include your name, address and premises account number in the email. The last date to request a TAEP ID number for the 2013 application period is May 30, 2013.

Electronic applications are not mandatory. Paper application A can be submitted using the form on page 15 of this booklet.

2013 Producer Cost Share Opportunities

Programs	Cost Share Maximums		Reimbursement Deadlines
	35% Standard Producer	50% Master Producer	
Genetics Cattle and Goats/Sheep	\$1,200	\$1,200	May 1, 2014
	Maximum reimbursement for Goats/Sheep is \$350		
Livestock Equipment	\$3,500	\$3,500	Dec. 1, 2013
Hay Storage	\$7,500	\$7,500	May 1, 2014
Livestock Feed Storage	\$10,000	\$10,000	Dec. 1, 2013
Grain Storage	\$15,000	Not Available	May 1, 2014
Producer Diversification	\$10,000	\$15,000	May 1, 2014

50% Master Producer Requirements – Application A

Genetics, Livestock Equipment, Hay Storage, Livestock Feed Storage, Grain Storage

- Applicants must complete a course related to their operation to be eligible for 50% cost share
- The course must be completed by the applicant prior to the program reimbursement deadline
- Eligible Courses
 - Master Beef Producer (MBP)
 - Master Meat Goat Producer (MMGP)
 - Three or more Tennessee Quality Milk Initiative (TQMI) modules

Eligibility By Program	Genetics	Cattle or goats/sheep producers taking MBP, MMGP or TQMI
	Livestock Equipment	Cattle or goats/sheep producers taking MBP, MMGP or TQMI
	Hay Storage	Cattle, goats/sheep or hay producers taking MBP, MMGP or TQMI
	Livestock Feed Storage	Cattle or goats/sheep producers taking MBP, MMGP or TQMI
	Grain Storage	Not Available

50% Master Producer Requirements – Application B

Producer Diversification

- Applicants must attend certain events related to their operation or obtain required certification
- Applicants must have participated in events from 2011 - 2014
- All certifications must be completed by the applicant prior to the program reimbursement deadline
- Eligible Courses

◦ Tennessee Agritourism Conference	◦ Good Ag Practices (GAP) Certification
◦ Agritourism Workshop	◦ Tennessee Horticultural Expo
◦ Direct Marketing Sense Course	◦ UT BeeMaster Course
◦ Direct Marketing Workshop	◦ UT Master Nursery Course
◦ GAP Food Safety Workshop	◦ USDA Organic Certification

See pages 17-19 for information on requirements per industry sector.

Find your local UT/TSU Extension office and inquire about educational course offerings by visiting

utextension.tennessee.edu and www.tnstate.edu/extension

TDA offers partial scholarships for participation in UT/TSU Extension's MBP, MMGP, MBee and/or TQMI programs.

Funding is paid directly to UT.

- | | |
|--|---|
| • Master Beef Producer Scholarship - \$100 | • Master Meat Goat Producer Scholarship - \$100 |
| • BeeMaster Scholarship - \$50 | • TQMI Module Scholarship - \$40 per session |

ELIGIBILITY REQUIREMENTS

1. Applicant must be a citizen of the United States of America and/or lawfully present in the United States.
2. Applicant must be an individual Tennessee resident operating a farm located in Tennessee.
3. Applicant must be at least 18 years old on application date.
4. Applicant must have the ability and financial capacity to complete the project.
5. Applicant must meet minimum livestock/acreage requirements for each program applied for, where applicable.

Head of livestock = maximum number of single type, regardless of sex or age, **at one time** during the last 12 months.

6. Applicant or a member of the applicant's immediate family must own land where **permanent structures** will be built.

- Immediate family members include: spouse; children; parents; siblings; grandparents; grandchildren; great grandparents; and spouse's children, parents, siblings, grandparents, grandchildren, great grandparents.
- Livestock Equipment projects can be located on leased land.
- See Hay Storage, Livestock Feed Storage, Grain Storage and Producer Diversification programs for more information.

7. **Premises registration** is required for applicants with livestock on their operations.

- Applicant name must match contact name (primary or alternate) listed on premises account to be eligible.
- The premises account number is tied to the individual.
- The premises id number is tied to the farm address.
- An individual can have multiple premises id numbers if they have multiple farm locations.
- The farm address listed on the cost share application must match the address for the premises id listed on the application.
- Premises registration forms and instructions are available from TDA by calling 615-837-5120 or at www.tn.gov/agriculture/regulatory/livestock.html.

8. Beef and Dairy cattle producers must have current **TN Beef Quality Assurance Certification (BQA)** at date of application.

BQA is a two-hour educational course on cattle management and care sponsored by the Tennessee Cattlemen's Association (TCA). BQA numbers must be renewed every two years and CURRENT at time of application. Contact TCA for additional information on BQA classes at 615-896-2333, info@tncattle.org, www.tncattle.org or your local UT Extension office, utextension.tennessee.edu.

9. Swine producers must have current **Pork Quality Assurance Plus Certification (PQA)** at date of application.

PQA Plus is a two-hour educational course on swine management and care sponsored by the Tennessee Pork Producers Association (TPPA). PQA numbers must be renewed every three years and CURRENT at time of application. Contact TPPA for additional information on PQA Plus classes at 615-274-6533 or tnpork@tds.net.

10. Dairy producers (cattle, goats and sheep) must be permitted by TDA to be eligible as a dairy.

Contact TDA Regulatory Services, Food and Dairy Division, at 615-837-5193, for permit information.

11. Certifications, permits and other priority requirements as specified by program must be **completed by the applicant**. No substitutions allowed.

This applies to: BQA, PQA, dairy permit, premises registration, master producer certifications, and Producer Diversification requirements.

TAEP Reserves the Right to:

- Reject any or all requests.
- Modify program criteria, approval and payment processes.
- Provide partial funding for specific activity components that may be less than the full amount requested.
- Require additional information from the applicant.
- Deny payments for projects that do not meet requirements.

RULES

Application Rules

1. Applications must be submitted during the application period June 1-7, 2013.
 - Applications may be submitted by one the following methods:
 - Online – June 1, 2013 through June 7, 2013.
 - Mail – Applications must have a postmark date ranging from June 1, 2013 through June 7, 2013.
 - Hand delivery to TDA, 440 Hogan Road, Nashville, TN between June 3, 2013 - June 7, 2013.
 - Faxed or emailed applications will not be accepted.
 - Applications postmarked or hand delivered **prior** to June 1, 2013 and **after** June 7, 2013 are ineligible.
2. Application A cost share requests will be **approved by priority level**.
(Genetics, Livestock Equipment, Hay Storage, Livestock Feed Storage, and Grain Storage)
 - Applicants must prioritize their requests in the order of importance to their operation in 2013. (1=first priority, 2=second priority, 3=third priority).
 - Applicants can apply for no more than three cost share requests per application period.
3. Application B cost share requests are evaluated on a competitive basis by industry sector. (Producer Diversification).
4. Applicants may only submit one Application A per premises or property, per household, per business, per application period.
5. Applicants may only submit one Application B per premises or property, per household, per business, per application period.
6. Applicant will be notified in writing of approval or disapproval. Allow 10 weeks for application processing.

Reimbursement Rules

1. Receipts/payments dated prior to June 1, 2013 are not eligible.
2. Cash receipts or receipts for in-kind services are not eligible (trade-in value is not eligible).
3. Used equipment, used materials and leased equipment are not eligible for cost share reimbursement.
4. Labor provided by applicant or their employees is not eligible for cost share reimbursement. Labor of any type is not eligible under Livestock Equipment.
5. Applicant cannot be reimbursed for purchases from a business where applicant participates in ownership (producer cooperatives excluded).
6. Applicants cannot combine projects with other applicants.
7. Proof of payment is required in the form of cancelled check copies (bank provided cancelled check copies are acceptable), cashier's check, money order or credit receipt/statement.
8. Reimbursement documentation must be postmarked or hand delivered by the deadline. Allow 10 weeks for processing. Additional processing time is required for incomplete requests and requests submitted within one month of the program deadline.
9. There can only be one reimbursement payment per cost share approval. Projects must be completed before submitting reimbursement documentation.
10. Failure to complete projects and utilize any allocated funds can affect eligibility for future program participation.
11. Falsifying applications, invoices or other documents submitted to TDA may make producer and farm ineligible to participate in present and/or future TDA programs, and may result in civil litigation or criminal prosecution.

Verification Rules

1. Applicant must utilize equipment and structures purchased with cost share funds for the intended purpose of the program for a **minimum of three continuous years from date of purchase**.
2. Site visits relating to the performance of the activity before, during and after completion may take place.
3. Applicants may be required to repay funds if they fail to comply with all aspects of the cost share guidelines.

GENETICS - CATTLE

Livestock Minimum Requirements	Property	Premises Registration	Certifications	Cost Share \$1,200 Maximum	
Cattle - 30 Head	Owned or Leased	Required	BQA - Beef and Dairy	Standard 35%	Master 50%
Head of livestock = maximum number of single type, regardless of sex or age, at one time during the last 12 months.					

- Producers who qualify for both Cattle and Goats/Sheep can only receive \$1,200 total reimbursement, with \$350 maximum allowed for Goats/Sheep.

PROGRAM GOALS: Increase the marketability, longevity and reputation of Tennessee's cattle

GUIDELINES use application A, pages 15 and 16 to apply

Eligible Items

- Bulls (natural service)
 - Purchased bulls - ownership must be maintained for a min. of 15 months
 - Leased bulls - terms of lease - min. of 60 days up to one year
 - Max. lease reimbursement - \$400
- Artificial Insemination (AI)
 - Semen tanks
 - Purchase of semen from eligible AI sires
 - Semen packages - max. reimbursement \$15 per straw
- Supplies & Equipment
 - Estrus synchronization
 - Heat detection - *computerized systems not eligible*
 - AI kit, contents and sanitation supplies
 - Liquid nitrogen fills
- AI technician fees - *mileage not eligible*
- AI training certification - max. reimbursement \$200
- Testing - *mileage not eligible*
 - Breeding soundness evaluation (BSE)
 - Pregnancy testing

Requirements

Expected Progeny Differences (EPD's) and Lifetime Net Merit (LNM) have changed for this application period. Breed eligibility criteria will be posted online by July 1, 2013 at www.tn.gov/taep and will be included in producer approval packet.

- Beef - AI and/or natural service bulls must meet or exceed the min. requirements for one of the following three **bull types**:
 - Balanced bulls (balance of good calving ease, growth and maternal)
 - Terminal bulls (improved growth with acceptable calving ease; maternal not required) for use on mature cows
 - Calving ease bulls (improved calving ease with acceptable growth and maternal)

Each **bull type** (Balanced, Terminal or Calving ease bull) has a different set of EPD requirements - the required set of EPD's must be met for each of the following three EPD trait categories:

 - Calving ease (CE or BW)
 - Growth (WW or YW)
 - Maternal (Milk range)

EPD values must be current as of June 1, 2013
- Dairy - AI and/or natural service bulls must meet or exceed the min. requirements for one of the following two trait categories
 - Lifetime Net Merit (LNM)
 - Breed index (ex. TPI for Holstein / JPI for Jersey)

LNM or Index values must be current as of June 1, 2013
- Breeding Soundness Evaluation (BSE)
 - Bulls must pass a BSE - certificate from a licensed veterinarian must be included with reimbursement request
 - BSE must be completed within 90 days of purchase or reimbursement
- Electronic Identification (EID) - 15 digit number
 - Producer must identify bull with an electronic identification tag and provide number to TDA
 - Tags can be purchased at most farm supply stores or local veterinarian
- Artificial Insemination (AI)
 - Cost of AI technicians or Tennessee licensed veterinarian fees are eligible
AI technicians must be certified by an accredited AI company
 - Producers certified to do AI through an accredited program (e.g., Genex, ABS or Select Sires, etc) can do their own AI work
Producer labor is not reimbursable
- AI Certification
 - Training must be sponsored by an AI company that is a member of the National Association of Animal Breeders (NAAB) and follows the recommended guidelines
 - Min. of two days training required - part of which must be in a classroom environment
- Testing
 - BSE & pregnancy testing - must be performed by a Tennessee licensed veterinarian
 - Veterinarian testing record with individual animal ID must be submitted for reimbursement

Ineligible Items

- Producer time and labor for AI work will not be reimbursed
- Embryo transfer
- Herd evaluation
- AI registration certificates
- Mileage, transportation and delivery expenses
- Computerized heat detection systems
- Carcass ultrasounding

GENETICS - GOATS/SHEEP

Livestock Minimum Requirements	Property	Premises Registration	Cost Share \$350 Maximum	
Goats and/or Sheep - 50 Head	Owned or Leased	Required	Standard 35%	Master 50%
Head of livestock = maximum number of single type, regardless of sex or age, at one time during the last 12 months.				

- Producers who qualify for both Cattle and Goats/Sheep can only receive \$1,200 total reimbursement, with \$350 maximum allowed for Goats/Sheep.

PROGRAM GOALS: Increase the marketability, longevity and reputation of Tennessee's goats & sheep

LIVESTOCK EQUIPMENT

Livestock Minimum Requirements	Property	Premises Registration	Certifications	Cost Share \$3,500 Maximum	
Cattle - 30 Head Goats/Sheep - 50 Head	Owned or Leased	Required	BQA - Beef and Dairy Permit - Dairy	Standard 35%	Master 50%
Head of livestock = maximum number of single type, regardless of sex or age, at one time during the last 12 months.					

PROGRAM GOALS: Improve long term livestock husbandry and management capabilities and enhance farm safety

GUIDELINES use application A, pages 15 and 16 to apply

A. Eligible Items Dairy, Beef, Goats/Sheep

- Head gate
- Squeeze chute (concrete to level)*
- Palpation cage
- Single animal scale (concrete to level)*
- Multiple animal scale (concrete to level)*
Scales used for commerce must be state certified
- Hoof trimming table or chute
- Hay ring and/or cone insert
- Slant bar hay feeding wagon
- Pasture sprayers (must meet all of the following specifications to be eligible)
 - Minimum tank capacity: 100 gal.
 - Minimum pump output: 20 gal. per minute
 - PTO or hydraulically driven roller or centrifugal pump
- Covered mineral feeders (stand alone and ground only) - insecticide and/or oil applicator combinations are not eligible
- Feed bins and/or unload augers - min. bin capacity/4 dry tons (concrete pad to level)*
- Creep feeder and/or panels
- Bunk feeders-concrete formed and/or steel (concrete to level)* plastic not eligible
- Automatic cube pellet feeders
- EID, portable and/or panel readers
- Tubular gates and/or portable corral panels for Livestock Management use only
- Holding chute/alleyway
- Crowding tub system
- Loading chute
- Curved or offset working chute
- Holding pen
 - Requirements
 - Securely attached to a handling, working or loading system
 - Completely enclosed perimeter - stand alone sides not eligible
 - Maximum size: 30,000 sq. ft.

(Items 17 - 21)

Working system guidelines

- Must conform to the individual item description & requirements
- Eligible components and materials include:
 - Item #16
 - Alley panels
 - Alley frames, rolling doors, backstops
 - Wire stockade or bull panels (1 to 6 gauge)
 - Lumber - boards and/or posts
 - Metal posts - includes I-beams, piping and/or T-posts
 - Concrete for setting posts*

B. Dairy Only Items Dairy producers can also purchase items listed in section A

- Headlock and/or dairy stanchions and palpation rails
- Commercial water heater¹
- Water sterilization equipment
- Plate exchanger for cooling
- Milk vacuum pump
- Milker pulsation equipment
- Vacuum system regulators
- Vacuum gauges
- Milk pipeline system²
- Milking equipment service contract³
- Antibiotic test kits for on farm use⁴
- Milk quality lab analyses

C. Goats/Sheep Only Items Goats/Sheep producers can also purchase items in section A

- Kidding/lambing pen, max. size per pen, 144 sq. ft. (12x12)
- Fitting stand/hoof trimming table or chute
- Tilt/roll table (concrete to level)*

Ineligible Items

- Used equipment and used materials
- Labor of any type
- Material and labor for the installation of electrical service to bins or equipment
- Fuel
- Delivery charges
- Overhead coverings or roofing materials for working facilities/equipment
- Woven wire, barbed wire, high tensile, electric fence, or any stand alone fences
- Tanks
- Liquid handling systems
- Watering systems, fencing and high traffic areas - contact the Soil Conservation District office in your county to apply for cost share assistance on these practices
- Concrete, except where noted by (*)
- Gravel
- Geotextile
- Ear tags, taggers or software
- Hoof trimmers
- Hay un-rollers
- Plastic feed bunks/troughs
- Wagons and trailers
- Semen tanks - now eligible in genetics (pages 6 & 7)
- Guard rails
- Fans
- Calf hutches
- Portable feed bins & gravity wagons

¹ Water heaters must be capable of maintaining a water temperature of 165 degrees

² Includes but not limited to automatic washer/sanitizing unit, clean in-place unit, washers, milker claws (units), vertical wash vat, monitoring systems

³ Milking equipment service contracts must be no longer than a 12 month period

⁴ Cow-side tests including incubator or heater block and test kits
* Concrete allowed on these items only, labor is not included

GRAIN STORAGE

Acreage Minimum Requirements	Property	Premises Registration	Cost Share \$15,000 Maximum
100 Acres in row crop production	Applicant or Family Owned - for bins and permanent equipment	Required for Livestock Producers	Standard 35%

- Approvals will be allocated for the maximum amount. Reimbursements will be based on finished project up to maximum.
- Quotes are not required to request cost share funds.
- It is the applicant's responsibility to ensure that their project is eligible and meets all TAEP criteria.

PROGRAM GOALS: Improve quantity, quality and marketing through proper storage and management

GUIDELINES use application A, pages 15 and 16 to apply

Eligible Items

1. New permanent bins - min. capacity of 10,000 bushels
 - Smaller capacity bins can be combined to reach 10,000 bushels minimum
2. New permanently affixed equipment and accessories, necessary for proper and safe handling of grain, including drying and aeration components, conveyors and bin unload augers
3. Labor conducted by a contractor or the supplier for the construction of new bins and installation of new equipment - reimbursement for labor cannot exceed 30% of total reimbursement - labor provided by the applicant or their employees is not eligible
4. Portable bagging system
5. Grain vacuum
6. Transport auger
7. Site preparation
 - a. concrete foundations
 - b. aprons
 - c. pads
 - d. associated labor and materials for construction of new bins and/or equipment

Requirements

1. It is the applicant's responsibility to ensure that their project is eligible and meets all TAEP criteria.
2. Bins and permanent equipment must be built and/or installed on applicant owned land or land owned by a member of the applicant's immediate family. Only one approval per property.

Ineligible Items

1. Grain/gravity wagons
2. Material and labor for the installation of electrical service to bins or equipment
3. Plastic used in bagging
4. Labor provided by applicant or their employees
5. Any grain bin or grain handling equipment for commercial purposes
6. Addition of rings to existing bins to increase capacity
7. Used bins, equipment and used materials

HAY STORAGE

Livestock/Acreage Minimum Requirements	Property	Premises Registration	Certifications	Cost Share \$7,500 Maximum	
Cattle - 30 Head Goats/Sheep - 50 Head Hay - 50 Acres	Applicant or Family Owned	Required for Livestock Producers	BQA - Beef and Dairy	Standard 35%	Master 50%
Head of livestock = maximum number of single type, regardless of sex or age, at one time during the last 12 months.					

- Approvals will be allocated for the maximum amount. Reimbursements will be based on finished project up to maximum.
- Quotes are not required to request cost share funds.
- It is the applicant's responsibility to ensure that their project is eligible and meets all TAEP criteria.
- Applicants who received a Hay Storage approval in 2012 are NOT eligible to apply for Hay Storage in 2013.

PROGRAM GOALS: Improve quantity and nutritional quality by using proper storage and management

GUIDELINES use application A, pages 15 and 16 to apply

Eligible Items

- New structures and additions to existing structures
 - New structures must be a min. of 900 sq. ft. - loft or 2nd level will not be considered in total sq. ft. of structure
 - Min. eave height - 14 ft. high clearance for new structures and additions
 - Use of structure must be for hay storage only
 - At least one side/end must be completely open
- Site Preparation - site must be well drained; cost of elevated pad construction is eligible, *clearing of land is not eligible*
- Roof - metal, shingles, or a polymer coated fabric (e.g., Cover- All, Clear Span, Super Structure, etc.)
- Flooring - recommended but not required; 4- 6 inches of gravel on geotextile fabric is eligible for cost share
- Labor conducted by a contractor - *labor provided by applicant or their employees is not eligible*

Requirements *additional requirements page 11*

- It is the applicant's responsibility to ensure that their project is eligible and meets all TAEP criteria.
- Hay storage structures must conform to the minimum requirements and guidelines of the University of Tennessee Extension Service. These guidelines are available at county UT Extension offices or online at www.tn.gov/taep under Hay Storage.
- Hay storage structures must be built on applicant owned land or land owned by a member of the applicant's immediate family.

Reimbursement maximums per square foot

Approvals will be allocated for the maximum amount.

Reimbursements will be based on finished project up to maximum per square foot.

- | | |
|---|--|
| <ol style="list-style-type: none"> 35% Cost Share - Standard Producer
\$2.00/ sq. ft. max.
Gravel and site prep - Max \$300
Total reimbursement not to exceed \$7,500 | <ol style="list-style-type: none"> 50% Cost Share - Master Producer
\$3.00/sq. ft. max.
Gravel and site prep - Max \$500
Total reimbursement not to exceed \$7,500 |
|---|--|

Ineligible Items

- Cost of clearing land
- Renovations of existing structures
- Labor provided by applicant or their employees
- Concrete flooring
- Completely enclosed buildings - no more than three walls
- Doors - walk through and drive through
- Used materials are not eligible for reimbursement

HAY STORAGE EXAMPLES

New Structure

Additions to existing structure

Minimum Size - 900 sq. ft., *new structures only*
length (ft.) x width (ft.) = sq. ft.

Example: 30 ft. x 30 ft. = 900 sq. ft.

2nd level not
considered in
total sq. ft.

Completely enclosed buildings are not eligible.

At least one side/end must be completely open.

LIVESTOCK FEED STORAGE

Livestock/Acreage Minimum Requirements	Property	Premises Registration	Certifications	Cost Share \$10,000 Maximum	
Cattle - 100 Head Goats/Sheep - 150 Head Broilers - 10,000/yr Layers - 5,000/yr Swine - 100 Head	Applicant or Family Owned - for commodity sheds and silos	Required	BQA - Beef and Dairy PQA Plus - Swine Permit - Dairy	Standard 35%	Master 50%
Head of livestock = maximum number of single type, regardless of sex or age, at one time during the last 12 months.					

- Approvals will be allocated for the maximum amount. Reimbursements will be based on finished project up to maximum.
- Quotes are not required to request cost share funds.
- It is the applicant's responsibility to ensure that their project is eligible and meets all TAEP criteria.

PROGRAM GOALS: Improve long term feed storage, cost efficiency and feed quality

GUIDELINES use application A, pages 15 and 16 to apply

Eligible Items

1. Mixer wagons and grinder/mixers - equipment directly used to mix and/or grind hay, grain and other supplements for feed
2. Hay wrappers - machinery used for the wrapping of hay for use as haylage
3. Commodity shed - new structures and additions to existing structures used for storage of bulk raw commodities, including whole grains and co-products used in a mixing process to produce feed (see page 13 for minimum specifications)
4. Silage baggers - machinery used for the bagging or debagging of silage
5. Silos - ground and upright for storage of silage - must have concrete floors and walls
6. Labor - labor conducted by a contractor, or the supplier for construction of infrastructure and installation of new equipment; **reimbursement for labor cannot exceed 30% of total reimbursement - labor provided by the applicant or their employees is not eligible**

Dairy Only Items

1. Stationary milk tanks
2. Generators for dairy barn
3. Manure/lagoon pumps
4. Manure/lagoon agitators
5. Manure spreaders - liquid/dry

Poultry and Swine Only Items

1. Generators for poultry or swine barn
2. Feed bin that has a minimum capacity of 4 tons and its only purpose is for on farm storage of animal feed

Requirements additional specifications page 13

1. It is the applicant's responsibility to ensure that their project is eligible and meets all TAEP criteria.
2. Applicants cannot be reimbursed for the same type of equipment or item in two consecutive program years.
3. Commodity sheds and silos must be built on applicant owned land or land owned by a member of the applicant's immediate family.

Ineligible Items

1. Feed bins for cattle and goats/sheep, see Livestock Equipment (page 8)
2. Bins that will be used for storage of bulk commodities not directly used for feed
3. Skid steers and attachment implements for existing equipment
4. Plastic used in bagging or wrapping procedures
5. Grain elevators or other equipment used to load or unload bins or silos
6. Grain/gravity wagons
7. Commodity sheds used for storage of materials other than bulk raw commodities (e.g., hay and commercial mixed feeds)
8. Renovations of existing structures and equipment
9. Used equipment and used materials
10. Labor provided by applicant or their employees
11. Completely enclosed commodity sheds - no more than three exterior walls
12. Doors - walk through and drive through
13. Material and labor for the installation of electrical service to equipment

COMMODITY SHED EXAMPLES

Minimum Specifications

1. No more than three EXTERIOR walls, *completely enclosed buildings are not eligible*
2. Structure must have at least four reinforced INTERIOR walls, 4 ft. min. ht.
3. Minimum 14 ft. concrete apron
4. Bays - two or more
5. Concrete floor
6. Minimum 960 sq. ft.
7. Minimum height requirements:
 - Monoslope roof - 18 ft. front
 - Gable roof - 16 ft.

Minimum Size 960 sq. ft.

TOP VIEW

length (40 ft.) x width (24 ft.) = 960 sq. ft.

UT Plan T4138*

7. HOW TO SUBMIT "APPLICATION A"

- ☐ Review each section of application for completeness.
- ☐ Fill in all blanks and check appropriate boxes where requested.
- ☐ Attach Substitute W-9 form (page 14).
- ☐ NO FAXES OR EMAILS ACCEPTED - Applications are only accepted by mail or hand delivery.

Mail to:
TN Dept. of Agriculture
Attn: TAEP FY2013-A
P.O. 40627
Nashville, TN 37204

Printed applications must be postmarked June 1 – 7, 2013 or hand delivered June 3 – 7, 2013.
Applicant will be notified in writing of approval or denial of application. Allow 10 weeks for processing.

PRODUCER DIVERSIFICATION

Eligible Industry	Application Proposal	35% Standard Producer	50% Master Producer
Agritourism Fruits & Vegetables Honey Bees Horticulture Organics Value-Added Products	Required for all	\$10,000 Max	\$15,000 Max

PROGRAM GOALS:

Encourage agricultural producers to expand or improve their operations through the production of diversified agricultural products.

MASTER PRODUCER - Special Requirements for 50% Cost Share

Each industry sector has an opportunity to receive a 50% cost share. Events or certifications that qualify are listed below.

A full list of eligible events with locations is available in each sector criteria sheet at www.tn.gov/taep. Use the Producer Program button and follow the links to the Producer Diversification page and find your appropriate sector(s). These are updated as new events are scheduled.

- Applicants must attend certain events related to their operation or obtain required certification
- Applicants must have participated in events from 2011 - 2014
- All certifications must be completed by the applicant prior to the program reimbursement deadline

Agritourism	Applicant must have attended two events from the list below. One event MUST be a Tennessee Agritourism Conference or Direct Marketing Sense Course. <ul style="list-style-type: none"> • Tennessee Agritourism Conference • Direct Marketing Sense Course • Agritourism or Direct Marketing Workshop
Fruits and Vegetables	The Fruits and Vegetables sector includes Viticulture. Applicant has two options to qualify for 50% cost share. Option 1 Applicant must have attended two events from the list below. One event MUST be a Tennessee Horticultural Expo. <ul style="list-style-type: none"> • Tennessee Horticultural Expo • Direct Marketing Workshop • Good Ag Practices (GAP) Food Safety Workshop Option 2 Producers that are GAP certified through an up to date audit at the time of reimbursement can qualify for 50% with their certification.
Honey Bees	Applicant must complete the UT BeeMaster Course prior to reimbursement deadline.
Horticulture	Applicant must complete the UT Master Nursery Course prior to reimbursement deadline.
Organics	Applicant must be USDA certified or working towards certification to qualify. Include copy of certification or letter from the certifying agency verifying that you are working towards certification. Producer must be certified at time of reimbursement.
Value-Added Products	Applicant must complete the Direct Marketing Sense Course and Direct Marketing Workshop prior to reimbursement deadline.

PRODUCER DIVERSIFICATION GUIDELINES

Application Review Criteria

- The application proposal and budget must be typed in requested format.
- Applications will be evaluated on a competitive basis by industry sector. TDA staff will conduct application reviews.
- Only applications that are complete and include sufficient information will be considered for evaluation.
- The application must merit financial support, clearly state objectives, provide a sound work plan and prove applicant expertise necessary to successfully complete project. An on-site visit or meeting may be required as part of the evaluation process.

Cost Share Project Criteria

Proposed activities for cost share must demonstrate significant potential for increasing farm income through the improvement or expansion of farm or agribusiness operations involving the production of diversified agricultural products. In addition, proposed activities must:

- Be market driven and have a viable marketing plan.
- Establish something new, not maintain on-going projects.
- Meet all state and local food safety and regulatory requirements.
- Produce long term benefits for the farm.
- Encourage future farm growth.

Project Categories

The cost share project may include items from three categories of eligible expenses. The overall project may include items from one or more categories. Some elaborate projects include items from all three categories. Examples of eligible and ineligible items per category are listed below.

FARM INFRASTRUCTURE - Installations that facilitate the production of diversified agricultural products

Infrastructure must be built on applicant owned land or land owned by a member of the applicant's immediate family. Activities must have a life span of least three years. Labor is only reimbursable if quoted and performed by a contractor. *Labor is not eligible for reimbursement if performed by the applicant or their employees.*

Eligible Examples

- Greenhouses
- Retail shelters
- Pavilions
- Public use considerations – hand washing stations, lighting, parking areas, restroom facilities, safe way areas

Ineligible Examples

- Clearing of land and general landscaping
- Fencing
- General maintenance/renovations
- Barns, storage facilities, show facilities
- Permits
- Water source creation – ponds or wells

MARKETING - Promotional efforts that benefit the expansion or improvement of diversified agricultural operations

Emphasis is placed on activities that are innovative to the operation and/or have long term benefits. It is recommended that marketing activities involve professional agencies/services. Trade shows are not eligible for funding unless they are part of a TDA program.

Eligible Examples

- Signs
- Web site development
- E-commerce systems

Ineligible Examples

- Advertising - billboard, brochures, print, radio, television
- Give-a-way promotional items
- Office equipment and supplies
- Trade shows

SPECIALTY EQUIPMENT - Specialized tools or equipment that aids in the production of diversified agricultural products

Items must have a life span of least three years. *Used equipment is not eligible.*

Eligible Examples

- Automated harvesters
- Chilling units/coolers
- Custom crushers
- Greenhouse heaters
- Spray and irrigation equipment

Ineligible Examples

- General motorized equipment - ATVs, forklifts, golf carts, mowers, tractors, trucks
- General inputs - fertilizer, fuel, operational supplies, pesticides, seed stock
- Used equipment

EXAMPLES OF ELIGIBLE COST SHARE ACTIVITY BY INDUSTRY SECTOR

Additional cost share activity examples are available at www.tn.gov/taep, see Producer Programs - Producer Diversification.

Agritourism

- Hand washing stations
- Handicap accessible areas
- Lighting - public areas
- Parking areas - gravel or pavement
- Pavilions - educational
- Public address (PA) systems
- Restroom facilities
- Retail shelters
- Safe way areas
- Signs
- Web site development

Fruits and Vegetables

- Apple/peach liners for orchards
- Blackberry/blueberry/raspberry stock
- Chilling units
- Freezer
- Grape vine stock
- Greenhouse
- Greenhouse fans and heaters
- Harvest containers
- Irrigation
- Packing facility
- Plastic mulch layer
- Row covers
- Sprayers
- Trellis materials for berries and vines
- Walk-in cooler

Honey Bees

- Apiaries must be registered with the State of Tennessee
- Minimum requirements include three years beekeeping experience and minimum of ten (10) existing colonies
- Eligible Items:
 - Apiary expansion
 - Honey processing equipment
 - Honey processing facilities (Minimum five years beekeeping experience and thirty (30) existing colonies)
 - Trailers for pollination service

Horticulture

- Greenhouse
- Irrigation system
- Packing facility
- Cold storage
- Potting wagon
- Sprayer
- Tree spade

Organics

- Flail mower
- Greenhouse
- Hoop house
- Irrigation
- Roller crimper
- Spader

Value-Added Products

Must use the raw product from the applicant's farm as the source for any processed product

- Cold storage
- E-commerce development
- Loading dock
- Retail shelters
- Packaging equipment
- Processing equipment
- Web site development

EXAMPLES OF INELIGIBLE ITEMS

- Advertising
- Arena - livestock
- Barn - livestock
- Building - lodging, show facility, storage
- Cash registers
- Chemicals/pesticides
- Concession stands
- Containers - bottles, pots
- Driveways
- Electrical service bills
- Fees - membership, hosting, domain
- Fencing
- Fertilizer
- Fuel
- Give-a-way promotional items
- General inputs
- Ingredients
- Labor - applicant or employees of applicant
- Landscaping
- Land - clearing of
- Livestock
- Maintenance/renovations of existing structures
- Meeting expenses
- Merchandise
- Motorized equipment/vehicles
- Motorized amusement rides
- Office equipment/supplies
- Permits
- Plants
- Point of sale systems
- Product development
- Property - purchase or debt payment
- Rent
- Salaries, wages, fringe benefits
- Seeds - produce, nursery, flowers, etc.
- Software
- Trade shows
- Trailers - livestock
- Used equipment
- Water source creation - ponds/wells
- Winemaking equipment

- I certify that all the information on this application is complete, true and factual to the best of my knowledge and belief.
- I understand that providing any false, fraudulent or misleading information may result in penalties and/or make this farm/tract ineligible to participate in present and/or future Tennessee Department of Agriculture programs.
- I also understand that failure to utilize allocated funds can affect eligibility for future programs.

Print Applicant Name

Date

Applicant Signature

(5. APPLICATION PROPOSAL – continued from front)

1) Briefly describe your agricultural operation.

- Industry sector (s)/type of business
- Years in business - (1) production agriculture and (2) other agribusiness (e.g. agritourism, garden center, etc.)
- Number of employees - full, part-time, seasonal
- Acreage in production
- Sales income from on-farm production agriculture – based on sales for the last 3 years (2010, 2011, 2012)
- Sales income from other products, services, and/or events – based on sales for the last 3 years (2010, 2011, 2012)
- Types of products produced – currently and previously
- Indicate any expansions or downsizing – past, present, future

2) If you have applied for TAEP cost share previously, list each cost share received in the format provided below.

Fiscal Year	Program	Project Description	\$ Allocated/\$ Paid
FY12-13	Producer Diversification	Greenhouse	\$ 5,600 / \$ 5,485

3) Describe your proposed cost share project(s).

- List each proposed project (e.g., greenhouse, retail shelter, sprayer, website)
- List projected increase in annual income generated for the next three years as a result of your project(s)
- Explain how each project will improve or expand your operation
- Indicate whether you had help in planning this project from a county extension agent, industry expert, specialized group or association. List key individuals and their titles.

4) Outline the steps and time line for completing your project(s) by program deadline of May 1, 2014.

5) Summarize your marketing plan for your diversified agricultural products.

- List how and where your products are or will be sold
- Specify marketing activities that are currently utilized in your operation (e.g., auctions/organized sales, brochures, e-commerce, print media, radio, signs, television, website, etc.)
- Competitive advantage (indicate what sets your product apart from your competitors)

6) Provide a detailed, line-item budget for each proposed project using the format presented below.

- Research all costs associated with project(s). List each item and its cost on a separate line. Provide the source of the cost quote with a phone number or attach a written cost estimate from the vendor, with complete contact information for the vendor.
- Written cost estimates are required if projects are: large scale (e.g., greenhouse, retail shelter, restrooms), include many components (e.g., irrigation system), or involve labor.
- LABOR:** In order to be eligible for cost share reimbursement, labor must be quoted and performed by a contractor. Labor is NOT eligible for reimbursement if performed by the applicant or their employees.
- The total amount of cost share requested cannot exceed the maximum of \$10,000 (35%) or \$15,000 (50%).

Follow sample budget format table below:

Item Description	Source of Cost Quote	Cost	Cost Share %	Request
Greenhouse (16 x 95)	JR Construction – see attached quote	\$7,800.00	50%	\$ 3,900.00
Sign – vinyl banner	FedExKinko's 615-771-7999	\$ 225.00	50%	\$ 112.50
Total Amount of Cost Share Requested:				\$4,012.50

7. HOW TO SUBMIT “APPLICATION B”

- ☐ Fill in all blanks and check appropriate boxes where requested.
- ☐ Attach application proposal and cost quotes.
- ☐ Attach Substitute W-9 form (page 20).
- ☐ NO FAXES OR EMAILS ACCEPTED - Applications are only accepted by mail or hand delivery.
